TELEPHONE INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

On December 3, 2007, Patrick Morris participated in a telephone conference with Examiner Liu. The subject matter of the interview, which was initiated by Examiner Liu, was the current status of the above-captioned application. Specifically, Examiner Liu wanted to confirm whether a response had been filed to the Office Action mailed July 31, 2006. Dr. Morris notified Examiner Liu that two responses had inadvertently been filed, one by Perkins Coie and one by former counsel of record (Marilyn Huston of Wong, Cabello, Lutsch, Rutherford &

Bruculeri LLP). Dr. Morris also notified Examiner Liu that Applicant had filed a paper on June 29, 2007 requesting that the response filed by former counsel be expunged from the file wrapper. Examiner Liu indicated that he would not be able to conduct further examination of the application until the Patent Office had made a determination as to whether expunging the redundant response was appropriate.

If Applicant can do anything more to expedite this application, Applicant requests that the Examiner contact the undersigned at (310) 788-3218.

Respectfully submitted,
Perkins Coie LLP
